Addressing & Mailing Services

The University's Addressing & Mailing Services offers a wide variety of services from printing and assembling mailings to metering individual pieces of mail. Mail is metered at a discount, typically saving departments as much as \$0.02/piece on the standard First Class rate. Mail can also be sent at the non-profit rate and with stamps rather than metered postage. Mailings can be taken by the department to the mail facility on Como Avenue (accessible on public transportation via the #3 bus through Dinkytown) or, for a charge, picked up in the department. Departments can also arrange for regular pick-up and metering of routine mail.

For more information on the wide variety of services provided, visit the Addressing & Mailing website at: <http://www.a-m.umn.edu>, call 612-626-0222, or send an email to addrmail@umn.edu.
